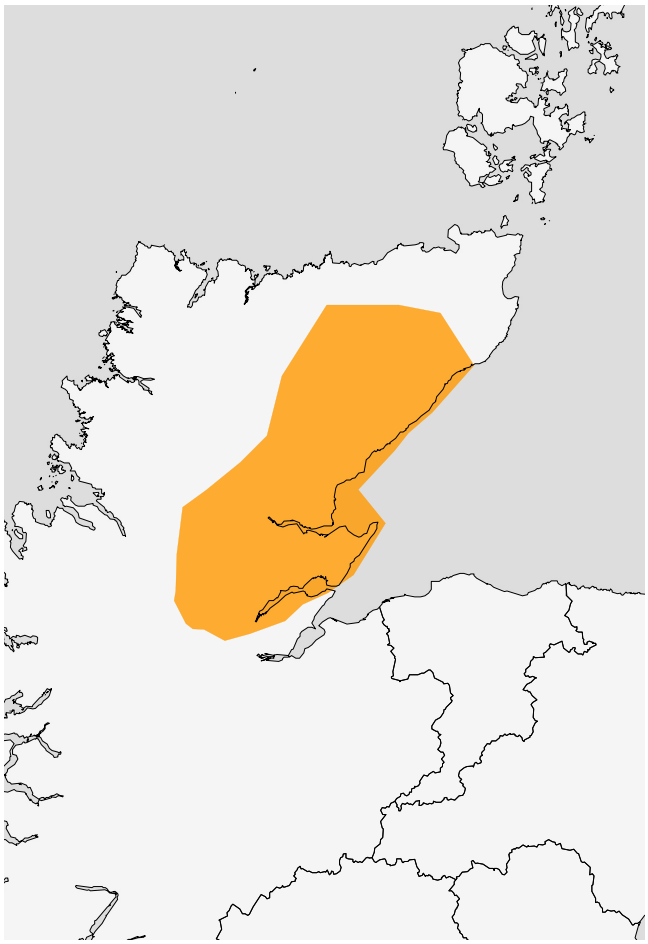
Amber warning
Rain

Between
00:00 Sat 21 Oct 2023 and
22:00 Sat 21 Oct 2023



A further spell of heavy rain is expected to lead to further flooding during Saturday.

What to expect

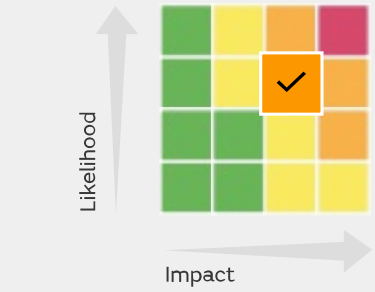
- Homes and businesses are likely to be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is likely, causing danger to life
- Delays and some cancellations to train and bus services are likely
- Spray and flooding probably leading to difficult driving conditions and some road closures
- A good chance some communities will be cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses likely

Further details

Another period of heavy and prolonged rainfall is expected to bring some disruption to parts of northern Scotland. The heaviest rain is expected to be across Easter Ross, eastern parts of Sutherland and Caithness. Widely 40 to 60 mm of rain is expected to fall within a 12 to 24 hour period with 80-100 mm in upland areas. Strong easterly winds are also likely to accompany heavy rainfall which may exacerbate impacts.

Reason for update

To bring the end time of the warning forward a couple of hours to 2200 on Saturday.



Medium likelihood of medium impacts
